

Agent Training Datasets - Final Version

Generated from Agent Data Protocol

September 16, 2025

1 Introduction

This document contains a comprehensive table of agent training datasets that are included in the agent-data-protocol repository. This final version includes proper citations for all datasets that have corresponding arXiv papers, with no duplicate citations.

2 Dataset Statistics

- Total datasets processed: 50
- Unique papers with citations: 34
- Datasets without papers: 4 (GUI Course, OpenHands Trajectories, LaVague, DigiRL)
- Citation coverage: 92% of datasets have corresponding papers

Table 1: Agent Training Datasets Overview. Icons indicate dataset variety: **E** Embodied, **W** Web, **C** Code, **T** Tools, **G** GUI, **M** Multimodal.
